WARANT	Fleet Customer Powertrain Limited Warranty Requires valid FIN code. *Ford is increasing the 5-year 60,000-mile limited powertrain warranty to 5-years, 100,000 miles. Only Fleet purchasers with a valid Fleet Identification Number (FIN code) will receive the extended warranty. When the sale is entered into the sales reporting system with a sales type fleet along with a valid FIN code, the warranty extension will automatically be added to the vehicle. The extension will stay with the vehicle even if it is subsequently sold to a non-fleet customer before the expiration. This extension applies to both gas and diesel powertrains. Dealers can check for the warranty extension on eligible fleet vehicles in OASIS. Please refer to the Warranty and Policy Manual section 3.13.00 Gas Engine Commercial Warranty. This change will also be reflected in the printed Warranty Guided distributed with the purchase of every new vehicle.*	N/C

		Includes 5 pickup bed attachment points with plugs, 1 frame under-bed cross member and 1 integrated 7-pin connector on driver's side pickup bed wall. 5th wheel hitch compatibility: the 5th Wheel/Gooseneck Prep Package (53W) is compatible with the factory orderable 5th Wheel Hitch Kits (15K and 15L) and dealer-installed Ford accessories 5th Wheel Hitch Kit by Reese - part #BC3Z-19D520-A (8ft box only). The prep package is also compatible with Reese Signature Series 5th wheel hitch kits updated with a new Leg Service Kit - part #BC3Z-A00A25-A (8ft box only). The 5th Wheel Hitch Kit (15K), 5th Wheel Hitch Kit (15L) and dealer-installed Ford accessories 5th Wheel Hitch Kit by Reese - part #BC3Z-19D520-A is not released to the short box (6.75ft box). Note: the short pickup box provides less clearance between the cab and 5th wheel trailer compared to long box pickups. The receiver centerline of the hitch should be mounted at least 2" forward from the rear-axle of the truck chassis. When selecting a trailer and tow vehicle, it's critical that this combination provide clearance between the cab and tow vehicle for turns up to and including 90 degrees. Failure to follow this recommendation could result in the trailer contacting the cab of the tow vehicle during tight turns. Gooseneck hitch compatibility: the 5th Wheel/Gooseneck Prep Package (53W) is compatible only with the factory orderable Gooseneck Hitch Kit (15J) or dealer-installed Ford customer accessories Gooseneck Hitch by Reese - part #BC3Z-19F503-A (8ft box and 6.75 ft box).

		Ford is increasing the 5-year 60,000-mile limited powertrain warranty to 5-years, 100,000 miles. Only Fleet purchasers with a valid Fleet Identification Number (FIN code) will receive the extended warranty. When the sale is entered into the sales reporting system with a sales type fleet along with a valid FIN code, the warranty extension will automatically be added to the vehicle. The extension will stay with the vehicle even if it is subsequently sold to a non-fleet customer before the expiration. This extension applies to both gas and diesel powertrains. Dealers can check for the warranty extension on eligible fleet vehicles in OASIS. Please refer to the Warranty and Policy Manual section 3.13.00 Gas Engine Commercial Warranty. This change will also be reflected in the printed Warranty Guided distributed with the purchase of every new vehicle.

Vehicle Dimension and Performance Summary

Performance predictions in this report represent an estimate of vehicle performance based on standard operating conditions. Variations in customer equipment, load configuration, ambient conditions, and/or operator driving techniques can cause significant variations in vehicle performance. These values are not representative of results that may be shown in actual dynamometer tests. This report should therefore be used as a guide for comparative vehicle performance.
